SCHOOL BUS ADVISORY COUNCIL
COMMITTEE / WORKING GROUP APPLICATION

The Arizona School Bus Advisory Council was established to advise and assist the Arizona Department of Public Safety in developing the Arizona school bus regulations, to recommend curricula for school bus driver safety and training courses, and to advise and consult with the Department concerning matters related to the certification of school bus drivers and the safety of school buses. In fulfilling those roles, the School Bus Advisory Council may establish committees and working groups to study relevant issues and provide recommendations. Individuals who are interested in being considered by the School Bus Advisory Council for participation in any committees and working groups can complete and submit this form. The Department will maintain all forms received and will provide them to the School Bus Advisory Council upon their written request. All forms will expire and be purged after December 31st of each year.
