

Privacy Act Statement

Authority: The FBI's acquisition, preservation, and exchange of fingerprints and associated information is generally authorized under 28 U.S.C. 534. Depending on the nature of your application, supplemental authorities include Federal Statutes, state statutes pursuant to pub. L. 92-544, Presidential Executive Orders, and federal regulations. Providing your fingerprints and associated information is voluntary; however, failure to do so may affect completion or approval of your application.

Principal Purpose: Certain determinations, such as employment, licensing, and security clearances, may be predicated on fingerprint-based background checks. Your fingerprints and associated information/biometrics may be provided to the employing, investigating, or otherwise responsible agency, and/or the FBI for the purpose of comparing your fingerprints to other fingerprints in the FBI's Next Generation Identification (NGI) system or its successor systems (including civil, criminal, and latent fingerprint repositories) or other available records of the employing, investigating, or otherwise responsible agency. The FBI may retain your fingerprints and associated information/biometrics in NGI after the completion of this application and, while retained, your fingerprints may continue to be compared against other fingerprints submitted to or retained by NGI.

Routine Uses: During the processing of this application and for as long thereafter as your fingerprints and associated information/biometrics are retained in NGI, your information may be disclosed pursuant to your consent, and may be disclosed without your consent as permitted by the Privacy Act of 1974 and all applicable Routine Uses as may be published at any time in the Federal Register, including the Routine Uses for the NGI system and the FBI's Blanket Routine Uses. Routine uses include, but are not limited to, disclosures to: employing, governmental or authorized non-governmental agencies responsible for employment, contracting, licensing, security clearances, and other suitability determination; local, state, tribal, or federal law enforcement agencies; criminal justice agencies; and agencies responsible for national security or public safety.

Applicant Notification and Record Challenge

Your fingerprints will be used to check the criminal history records of the FBI. You have the opportunity to complete or challenge the accuracy of the information contained in the FBI identification record. The procedure for obtaining a change, correction, or updating an FBI identification record are set forth in Title 28, CFT, 16.34. You can find additional information on the FBI website at

To obtain a copy of your Arizona criminal history record review, update or correct, you can contact Arizona Department of Public Safety Central State Repository Unit at (602) 223-2000.

The issuance of a registration certificate at any prior time does not confer a vested right or guarantee future eligibility. Each application is reviewed independently based on the applicant's current criminal history record and the Department's statutory obligations under A.R.S. §§ 41-1758.03 and 41-1758.07, as interpreted under current law.

When evaluating out-of-state offenses, the Department is required to determine whether the offense is the same as or similar to a precluding offense under Arizona law. This determination is based on statutory elements, not on prior administrative outcomes.
